GREEN AND BOLD: SUSTAINING A VISION OF THE FUTURE FOR THE BAY AREA

KEYNOTE MODERATED BY ERIC COREY FREED,
FOUNDER AND PRINCIPAL, ORGANICARCHITECT

Galleria Atrium

Join a panel discussion of leading policy makers, landscape architects and non-profit organizations as they discuss the continuation of the SFDC's Green and Bold Initiative: beautifying San Francisco and the Bay Area one project at a time. You will learn how volunteers from the design community are integrating well-designed sustainable concepts into our built environments; this keynote will leave you inspired and excited to be a part of this green vision of the future. Panelists include Astrid Haryati, Greening Director of the City and County of San Francisco, Davis Dalbok, Principal, Living Green, Jeffrey V. Bialik, Executive Director, Catholic Charities and Linda Schanfein, President, Philanthropy by Design.

A short awards ceremony will take place immediately following the keynote presentation to acknowledge and thank the volunteers on two important pro bono projects: St. Dominic's Church and St. Vincent's Home for Boys. A book signing by Mary Ann Schicketanz also follows. Sponsored by IAP, International Art Properties.

4:00 – 5:00 PM

DESIGN SAN FRANCISCO CLOSING PARTY
